

CONSENT FORM

(This form must be filled out to receive services)

I give consent for:

- My son/daughter to receive health or behavioral health services at the School Based Health Center (SBHC) and Lynn Community Health Center (LCHC).
- My child's health information to be shared with the school nurse, guidance counselors, other SBHC staff, and his or her primary care provider.

I authorize:

- A doctor or other LCHC staff to give needed examination, medical tests, evaluations, and management of my child's health in accordance with the laws of the Commonwealth of Massachusetts.
- Any referral to my child's primary care provider or specialist concerning needed follow up care.
- The SBHC to release information regarding the care and treatment my child received to any third-party payers for the purpose of billing or for any reason that may be required to comply with the statutes or regulations in accordance with accepted medical practice.

I understand my son/daughter:

- Will not receive services, except in an emergency or as allowed by the laws of the Commonwealth of Massachusetts, at the SBHC unless a consent form is on file.
- Can receive care using this signed consent form for the duration of my child's enrollment in the Lynn Public School system.

I understand I:

- May withdraw this consent form at any time during my child's enrollment in the Lynn Public School system.

What is a School-Based Health Center?

Your school based health center is a licensed primary care and behavioral health clinic on-site at your school. You receive the same care you would at a regular doctor's office, without having to leave the school grounds.

Everyone is welcome!

All students are eligible for care at the School-Based Health Center, regardless of ability to pay.

We accept most forms of public and private health insurance. If you do not have insurance, we have staff who can help you determine if you qualify for assistance, and help you enroll in the program that best fits your needs.

Medical Services:

All services are confidential except where the student is a danger to her/himself or others. This means we will not tell anyone why you came to the Health Center.

- Asthma and other chronic illnesses
- Stomach pains
- Acne
- Physical exams
- Sore throats
- Illnesses, injuries, and infections
- Sports exams
- Flu and colds
- Menstrual problems
- Help to quit smoking, drinking, drug use
- Immunizations
- Referral for dental services
- Referral for vision services

Behavioral Health Services:

Counseling is available for many problems and concerns you may have such as:

- Depression
- Relationships with friends, teachers, family members
- Self esteem – how you feel about yourself
- Stress
- Issues connected with your sexuality
- Drug/alcohol abuse
- Sexual/physical abuse/violence
- Psychiatric disorders
- Medication management

Helping you lead a healthy life

You can talk to the School-Based Health Center staff about many ways to lead a healthier life. For example:

- HIV/AIDS prevention
- Weight management
- Disease prevention
- How to avoid sexually transmitted diseases

24 hour access
